of Correction

Sir:

Patentees respectfully request that a Certificate of Correction be issued in the subject patent, pursuant to 35 U.S.C. § 254 and 37 C.F.R. § 1.322, to correct the mistake shown on the attached Form PTO-1050.

As noted in the Communication to the Examiner filed January 13, 2006, the Notice of Allowability did not indicate any reason why claim 16 was not allowed along with the other pending claims. It is believed that this was an oversight of the Examiner and therefore, it is requested that claim 16 be added as claim 15 of the patent.

Since the mistake is a Patent Office mistake, it is believed that no fee is required.

Respectfully submitted,

STAAS & HALSEY LLP
